

East Cowes PPG

7th February 2019

Present: Nick, Mike, Anita, John K, John B, Wendy, Judy, Carole, Perdita, Sally

Apologies: Deborah Rooke, Sue Keynes

1. Wendy kindly agreed to act as note-taker for this meeting
2. Message from Deborah – there will be an Area CCG meeting in East Cowes Town Hall from 12:30
3. Inter-practice collaboration – Nick reported that new technology was being introduced for dictation/typing of letters etc. East Cowes is a “special case” in that it is not easy to reach other practices by public transport
4. Scrolling banners on video screens – neither Nick nor John have had time to pursue this initiative
5. DNAs – delayed due to time constraints
6. Computer training – delayed due to time constraints
7. Nick gave an update on staff sickness and recruitment of additional staff
8. PPG publicity – it was generally agreed that members would “man” a table in the Waiting Area to promote our PPG; Mike to issue possible dates & times for members to choose

Next meeting: Thursday 7th March at 11:30 in the Practice meeting room
